Topic	<p><u>The Fens - Modern developments in farming</u></p> <p>Yesterday we looked at some of the ways in which farmers today make use of modern technology. Today you are going to be thinking about this a little more, and designing a new 'farming robot'!</p> <p>1) Watch this video clip to learn about some robots which are currently used on farms today <a href="https://eatfarmnow.com/2020/04/28/how-do-robot-weed-zappers-work-on-farm/">https://eatfarmnow.com/2020/04/28/how-do-robot-weed-zappers-work-on-farm/</a></p> <p>2) Draw a design for your own farming robot, thinking about:</p> <ul style="list-style-type: none"><li>- what job your robot will do (weeding, sowing, ploughing, watering, measuring crops etc.)</li><li>- how it will save farmers time</li><li>- any environmental benefits of your design (e.g. it could be powered by renewable energy)</li></ul>	none required																																																
Numeracy	<p><u>Maths revision lesson - Division - Divide 3-digit by 1-digit</u></p> <p><b>Warm up:</b> practise your 6 x table ready for a check on Friday.</p> <p>Please follow this link <a href="https://whiterosemaths.com/homelearning/year-4/">https://whiterosemaths.com/homelearning/year-4/</a></p> <p>Today's lesson is 'Summer Term - Week 3' Lesson 4 - Divide 3-digit by 1-digit <i>Please note - we are not in the week commencing 18<sup>th</sup> May yet as we have been using a different time scale to that on the website. Today's lesson should look like this:</i></p> <div><p>Lesson 4 - Divide 3 digit by 1-digit number</p><div><p>Divide 3 digits by 1-digit number</p><p>484 ÷ 4 = 121</p></div><div><p>Get the Activity</p><p>Y4 Lesson 4 Divide 3-digits by 1-digit 2019</p><p>Get the Answers</p><p>Y4 Lesson 4 Answers Divide 3-digits by 1-digit 2019</p></div></div>	none required																																																

	<p><b>Top tip:</b> it might be helpful for today's lesson to have some 'place value counters' to represent your hundreds, tens and ones. You could make these by cutting out some circles, or find objects around the house instead such as buttons, counters from games or lego bricks.</p> <ol style="list-style-type: none"> <li>1) Watch the <b>video clip</b>; this will help to explain the task.</li> <li>2) Complete the activity by clicking on 'Get the activity' tab. (You can EITHER print and fill out the sheet, OR write your answers in your home learning book, making sure to label your answers with the question numbers.)</li> <li>3) Check over your work</li> <li>4) Mark your work using the 'Get the answers' tab</li> </ol>	
<p>French</p> 	<p><b>French - 'ma famille'</b></p> <ol style="list-style-type: none"> <li>1) Watch this video clip, and listen out for the vocabulary of family members  <a href="https://www.youtube.com/watch?v=rMGfCjbZl4">https://www.youtube.com/watch?v=rMGfCjbZl4</a></li> <li>2) Having watched the video, try reading the vocabulary below. You might want to re-watch parts of the video to check your pronunciation.</li> </ol> <p><b>My Family - Ma Famille</b></p> <div style="display: flex; flex-wrap: wrap; justify-content: space-around; align-items: flex-start;"> <div style="text-align: center;">   <b>ma mère</b>  my mum </div> <div style="text-align: center;">   <b>ma soeur</b>  my sister </div> <div style="text-align: center;">   <b>mes parents</b>  my parents </div> <div style="text-align: center;">   <b>mes grands-parents</b>  my grandparents </div> <div style="text-align: center;">   <b>mon père</b>  my dad </div> <div style="text-align: center;">   <b>mon frère</b>  my brother </div> <div style="text-align: center;">   <b>ma grand-mère</b>  my grandmother </div> <div style="text-align: center;">   <b>ma tante</b>  my aunt </div> <div style="text-align: center;">    </div> <div style="text-align: center;">   <b>mon grand-père</b>  my grandfather </div> <div style="text-align: center;">   <b>mon oncle</b>  my uncle </div> <div style="text-align: center;">   <b>mon beau-père</b>  my step-father </div> <div style="text-align: center;">   <b>mon demi-frère</b>  my half/step brother </div> <div style="text-align: center;">   <b>ma cousine</b>  my cousin (f) </div> <div style="text-align: center;">   <b>mon cousin</b>  my cousin (m) </div> </div> <ol style="list-style-type: none"> <li>3) Draw a picture of your family. You may wish to lay it out as a family tree. Add labels in French to show who everyone is. You may wish to use this sentence structure:  <b>'Voici ma mère qui s'appelle...'</b> = 'Here is my mother who is called...' </li> </ol>	<p>none required</p>
<p>Reading</p>	<p>Read aloud to someone at home for 15 minutes, focusing on the accuracy and expression of your reading. After this, enjoy some free read time!</p>	<p>none required</p>
