| Number Flashcards     | Make your own set 0 - 20 or find one online e.g. <a href="https://www.twinkl.com">Twinkl</a> have lots (you can create an account to access many free resources)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| Ordering / Sequencing | Put the flashcards in order / pick 5 at random and sequence them. Practise going forwards and backwards. Work out missing numbers or next numbers in a sequence.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| Number Formation      | Practise writing numbers 0 - 20. Can you make some birthday cards for friends with their age on? Look for numbers around the house.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| Number Stories        | Make up some number stories (addition, subtraction, doubling, halving, sharing), e.g. <i>There are 3 oranges and 5 apples in the fruit bowl. How many pieces of fruit are there altogether?</i>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Traditional Games     | Any household board games involving counting on / back, e.g. 'Snakes and Ladders'                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| Guess My Shape        | Make / find some 2D and 3D shapes. Hide in a 'feely bag' and take turns describing the shapes for others to guess.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |

| Shopping              | Set up your own shop! What will you sell? How much will it cost? Make some price tags and collect / make some coins to pay with.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| Baking                | Help your parents to measure out ingredients. You could also start making a recipe book to practise your writing skills!                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
| Bathtime              | <i>Tip: Recycle, clean and keep some plastic containers to play with in the bath. How many cupfuls of water does it take to fill a bottle? Which container holds more? Can you measure the ingredients to make a potion?</i>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| Messy Maths           | Loads of fun can be had outdoors collecting, investigating, counting and comparing objects. Try making a symmetrical picture or spotting shapes in the environment. Can you measure the ingredients for your mud pie? Can you make a 2D shape or even a 3D shape den using sticks?                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
