English	<p>Handwriting - practise writing then, and, data, man Remember all lower case letters start on the line!</p> <p>Yesterday you completed the Julia Donaldson unit.</p> <p>There is a reading activity on the class page (and attached to the email) just like the ones you have done in school before. If you want an extra challenge there is a slightly longer reading activity with more text and questions. Pick the one that you think is right for you. Remember to read the text and look at the picture before answering the questions.</p>	
Maths 	<p>Please play Numbots in story mode for 5 minutes OR select an activity from the maths warm up menu.</p> <p>Number: Multiplication + Division</p> <p>Equal Groups Discussion Cards</p> <p>Please see attached guidance - you won't need to ask all of the questions each time.</p> <p>Parents - Today's submission may be a comment from you about how your child got on with this task, however if your child has recorded anything or you have photos these can be submitted too. It would also be really helpful to know how confident your child is with counting in 2s, 5s and 10s. Don't worry if they are still finding any of these tricky, but knowing how they are doing will help me with planning for after Easter. Thank you.</p>	<p>Please also submit this activity to the email address above by 3pm today.</p>
Other	<p>Family Learning</p> <p>You can chose any activity, but you might like to get outside for 'Forest Friday'.</p>	
Reading	<p>Read a book to an adult - If you read a sentence and it doesn't quite make sense make sure you have another go (self-correct).</p>
