

Clue	Shape of jigsaw	testing	answer
1	Hexagon	Matching antonyms	The killer did not play an instrument which you blow into.
2	Rhombus	Matching synonyms	The police found traces of fruit juice from the killer's favourite snack.
3	Rectangle	Matching halves of proverbs	The killer had not been with the orchestra for very long. It was the killer's third orchestra. The killer joined the orchestra less than three years ago. The killer's next orchestra may well be the prison orchestra!
4	square	Meaning of idioms	The killer's favourite composer was a man. The first letter of the composer's name is found in the first half of the alphabet that means a-m and not, absolutely not, n-z.
5	Parallelogram	Animal young/adult	Killer has clean hair which is neither brown nor black in colour.

This should lead to the killer being identified as Trevor Tenor.
