

Starting School

This is my new school. My school is called Great and Little Shelford Primary School.

At school I am in Reception Class. This is my classroom.

This is the gate where I come into school and say goodbye to my Mummy or Daddy.

This is the door where I enter the classroom.

Every day I will hang my coat up on my peg and put my water bottle on the side.

I will wash my hands in the sink.

I will sign in in the morning, by putting my name on the board.

I will be able to choose to play in different areas of the classroom.

This is the construction, maths and games area.

I can read a book in the book corner.

This is a good place to write and draw.

I can play in the water.

This is where I can paint, in the 'creative corner'.

I can play with the playdough

I can make things in the junk modelling area

I can play in the role play area

Sometimes I will sit on the carpet for stories and activities with the whole class.

I can also choose to play outdoors. There are lots more areas to explore in the garden.

If I need the toilet I can use the toilets in our classroom.

If the shaker goes in the classroom, I will put down the things in my hands and wriggle my fingers so everyone can listen to what the teacher is saying.

This is the 'big playground' where I will play sometimes in the morning and at lunchtime

When it is lunchtime, I will go through these doors into the hall to eat my lunch.
