

Wednesday 22nd April 2020 - Year 4 Home Learning
Year4@shelford.cambs.sch.uk

Subject	Activity	Submission
Spelling	<p><u>This week's list: long 'a' sound (spelt 'ei', 'eigh' and 'ey')</u></p> <p>vein reign foreign weigh weight sleigh neighbour grey prey they obey survey</p> <p>1) Read the list of words aloud, and ask an adult or an older sibling to check you are pronouncing them correctly! 2) Check you know the definition of each word, and use a search engine or dictionary to check any unknown words. 3) Write a short sentence containing each word in your home learning book, taking care of your punctuation (e.g. "It is important to weigh ingredients when baking a cake.")</p>	Please email a photo of your work to the email address above
Literacy	<p><u>This week we are learning about: instruction texts</u></p> <p>On Friday, I will be asking you to write your own instruction text for a fun task that can be carried out at home. If you want to, you will then be able to share your instruction text with the rest of the class by asking Miss Nairac to post it on the website.</p> <p>You will have some time to write a plan for your text tomorrow.</p> <p>Today, I would like you to take some time to choose your task!</p> <p>1) You will need to choose a task that:</p> <ul style="list-style-type: none"> - can be carried out at home - can be broken down into steps <p>You can choose one of the following options, or think of something different:</p> <ul style="list-style-type: none"> - building something out of recycled materials - creating a den - building something out of lego - drawing/ painting a picture - making your favourite sandwich - origami - planting a seed <p>2) Once you have chosen your task, have a go at completing it yourself, thinking carefully about each step you take along the way. You might want to note down the different steps as you go, as this will help you with your plan tomorrow.</p>	none required
N numeracy 	<p><u>Maths core lesson - Decimals - Hundredths</u></p> <p>Please follow this link https://whiterosemaths.com/homelearning/year-4/</p> <p>Today's lesson is <u>Week 2 Lesson 2 - Hundredths</u></p>	none required

Please note - we are not in the summer term lessons yet. Today's lesson should look like this:

The screenshot shows the 'Home Learning - Year 4' website. The 'Week 2' tab is active, displaying two lessons. Lesson 1, 'Divide 2-digits by 10', includes a video player showing a place value chart for 33 divided by 10, and buttons for 'Get the Activity' and 'Get the Answers'. Lesson 2, 'Hundredths', includes a video player showing a 'Flashback 4' worksheet, and buttons for 'Get the Activity' and 'Get the Answers'. Green arrows indicate the flow from the 'Get the Activity' button of Lesson 1 to Lesson 2, and from the 'Get the Answers' button of Lesson 1 to Lesson 2.

- 1) Watch the **video clip**; this will help to explain the task.
- 2) Complete the activity by clicking on 'Get the activity' tab. (You can EITHER print and fill out the sheet, OR write your answers in your home learning book, making sure to label your answers with the question numbers.)
- 3) Check over your work
- 4) Mark your work using the 'Get the answers' tab.

Extension task: practise your times tables or explore the [NRICH](https://nrich.maths.org/) website (<https://nrich.maths.org/>)

Other

Science - Plants - Parts of a Flower

- 1) Look back to your diagram from yesterday to remind you of the different parts of the flower.
- 2) Test your knowledge using the 'Flower Labelling Challenge' which has been set as a 2do on Purple Mash.
- 3) Have a go at the **Flower Match-up Activity** at the bottom of this sheet, which tests your understanding of the function of the different parts of the flower. You may wish to re-watch the video clip from yesterday to help you: <https://www.bbc.co.uk/teach/class-clips-video/science-ks1-ks2-ivys-plant-workshop-the-anatomy-of-the-flower/zjmhkmm>
- 4) Check your answers against those at the very bottom of the sheet.

Reading	<p>Read aloud to someone at home for 15 minutes, focusing on the accuracy and expression of your reading. After this, enjoy some free read time!</p> <p>Optional extra reading challenge for this week: choose a book you have enjoyed reading while at home. Write a book review, summarising what the book is about, and whether or not you would recommend it to others in the class and why. You may use the template at the bottom of this sheet, or choose your own layout. <i>If you would like your book review to be shared on the class page so that others can read it, please email a copy to Year4@shelford.cambs.sch.uk</i></p>	none required
