

Starting with a Story

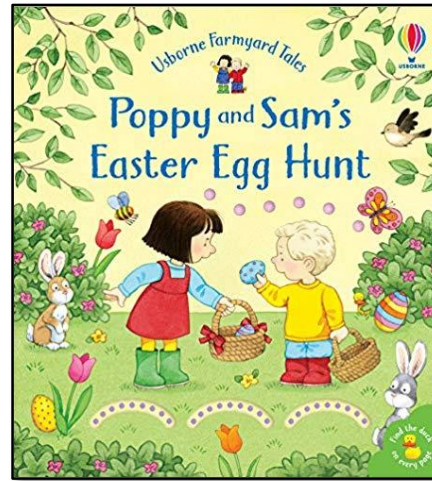

These activities and ideas
are based around the book
“We’re Going on an Egg
Hunt”

By Martha Mumford

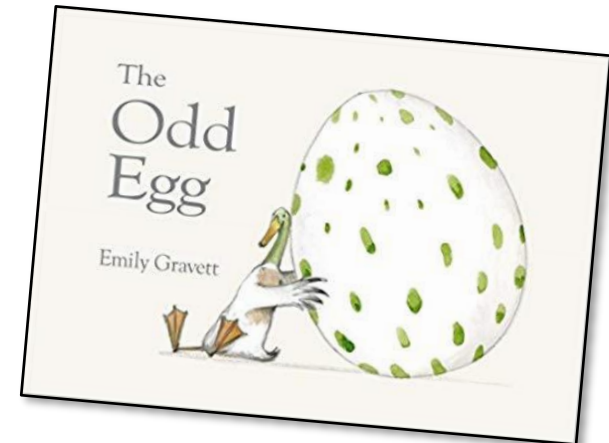

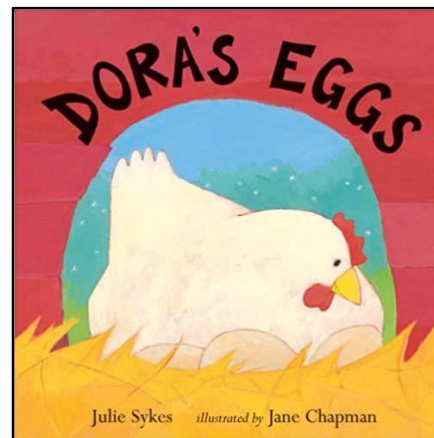

**All activities could be
done without the book!**

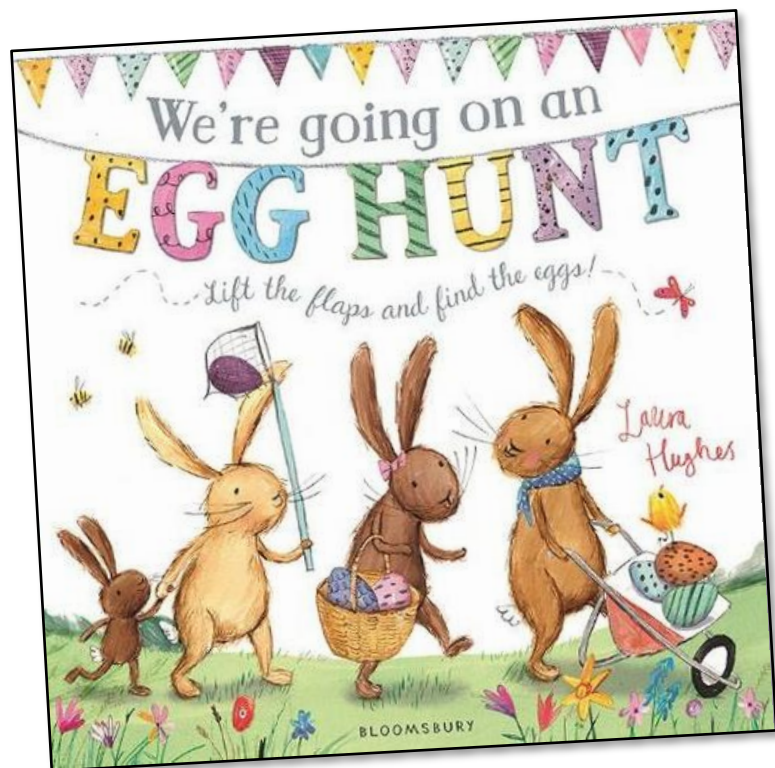

Starting with a Story

Other Linked Stories to read and enjoy

All our activities can be used with these books as well!

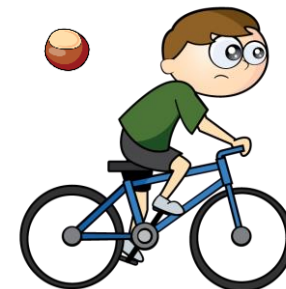

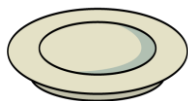

Number or Shape Hunt

Take your tablet or phone out with you or around the house. Go on a hunt for numbers or shapes. Sing like in the story!

Starting With a Story

Talking Together

Sing "We're going on an shape hunt
We're going to find them all
We're really excited
Hurray for shapes today!"

Point out numbers or shapes in the environment and let your child take photos of them. Encourage them to spot the shapes.

How many did we get altogether?

How many of each shape or number?

Let's look back at the photos we took when we get home.

Tell someone about our hunt.
