

Monday 18th May 2020 - Year 5 Home Learning
Year5@shelford.cambs.sch.uk

Subject		Submission
Reading	Silent Reading Please read your book for 30 minutes. When reading try to use the VIPERS skills that you have been learning this year.	None required
Spelling	Get somebody to test you on the words from last week - in a random order of course.	Please submit your test result so that I can update the records
Numeracy	<u>It's maths puzzle Monday!</u> Today there are a number of puzzles, some are number based, some are shape based and there are some Sudokhu puzzles as well. They are all on the class page. You may find some rather tricky! Try at least two but have a go at as many of them as you like. Submit the one that you are most proud of solving. I will post photographs of the steps to solving the fish puzzle on Tuesday morning.	One submission will be sufficient.
Literacy - grammar	Murder Mystery - Death in the Orchestra The answer to clue four gave you the killer's favourite composer. Clue 5 is about animals and their young. You will find clue 5 on the class page and again you will need to print it. This time the shape is a parallelogram. Update your suspects list to find the killer! Clue 5 and the suspects list are separate files on the class page. You will have to print clue 5 assemble the pieces into a parallelogram, read the clue and find the killer!	Submit the name of the killer!
Other	Please go to the Family Learning section to choose an activity. Don't forget to keep your creatures log going by adding any new sightings. Look out for Swallows, Swifts and House Martins - they are here for the summer after flying North from Africa. The Cuckoos have already arrived. I have heard them in the woods next to the Wale Recreation Ground. They are hard to see but easy to hear! As the weather warms there should be lots of butterflies about too.
