

## EY Resource

*Listen to the children, who all have ideas of things they would like to do at home for fun. Do you like the sound of any of the children's ideas? Have you done any of their ideas before? Can you think of your own ideas? What are your favourite activities that you like to do at home?*

I want to make an amazing den that I can play in.

I want to make my own robot using lots of cardboard boxes and my felt tip pens.

I want to bake something really yummy for my family to eat as a treat.

I want to make up a new dance with my big sister and we are going to perform it to the rest of our family.
