

Pupil Premium Strategy and Evaluation Report

Each year the school receives a Pupil Premium Grant (PPG) from the government. Pupil Premium is designed to ensure that funding to tackle disadvantage reaches the pupils who need it most. Schools receive additional funding for pupils from Reception to Y11 who are eligible for free school meals (FSM), are looked after or have parents currently in the Armed Forces. This funding includes any children who had been eligible for Free school Meals within the last six years. Schools can decide how the Pupil Premium is spent as they are best placed to decide what additional provision should be made for the individual pupils within their care.

Barriers to Learning at Great and Little Shelford C E (A) Primary School

At Shelford we support all our pupils, recognising their individual needs. We are committed to ensuring that the teaching and learning opportunities meet the needs of all pupils. In particular, we recognise that some of those who are vulnerable or disadvantaged may present with unique barriers to their learning. At our school, these pupils can **sometimes display as anxious or with low self-esteem**. Where this is identified, particular attention is paid to this aspect of their development alongside the careful and rigorous tracking of their academic progress.

A key priority is to narrow and eliminate any gaps in the performance of vulnerable pupils, and that of other pupils. We do this by providing high-quality classroom teaching, supported by interventions to target vulnerable learners as and when required. The School Leadership Team and Governing Body monitor the impact of all spending and interventions, including the Pupil Premium.
