Challenge cards

Problem solving and reasoning cards:

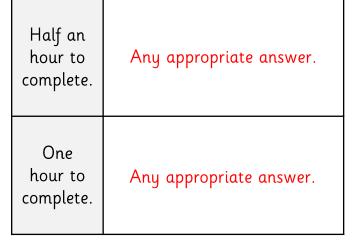

Match the clocks to the correct time.

True or false?

- a) At 12 o'clock the hour hand and minute hand point at the same number. True
- b) At 9 o'clock the hour hand will point at 12.
- c) At half past two, the minute hand will point at 6. ____True__
- d) At half past 10, the hour hand will be between 9 and 10? ___False___
- e) At half past 4, the hour hand will be between 4 and 5? _____True___

List events that would take approximately:

The time shown is half past six.

Is Rob correct? Explain how you know. No, the time shown is six o'clock.

Colour the correct time shown.

Half past 7

Half past 8

Half past 9

Match the times to the events.
