The NHS requires children to have 60 minutes of physical activity per day to stay healthy. With Premier Arts, they can do this by taking part in a range of dance, drama and other arts activities!

### Benefits for your child:

-  Try new activities and make new friends
-  Learn transferable skills for the future
-  Stay focused & alert for their lessons
-  Develop confidence, creativity and self-esteem

**Most importantly, they'll have so much fun!**

All of our Activity Professionals maintain links to local clubs and associations, giving children a route to develop and diversify their skills.

Identifying the stars of the future can enable them to get the right support and encouragement at an early age.

**Don't delay, book today.**
